

INDOPLAS, INDOPACK and INDOPRINT moves to 13 – 16 October 2021

The next edition of The Indonesian International Plastics, Packaging and Printing Exhibition will now be held from **13 – 16 October 2021**. As Indonesia's leading all-in-one exhibition focusing on innovative technologies and solutions from the co-related plastics, packaging and printing sectors, the venue for INDOPLAS, INDOPACK and INDOPRINT remains unchanged at Jakarta International Expo (JIExpo), Indonesia.

The international trade exhibition is recognised for its depth of products and services on the show floor, vibrant line-up of conferences and seminars, and unique platform for networking. With the ongoing uncertainty surrounding Indonesia's domestic border openings and restrictions on international travel and large-scale events, a postponement was deemed necessary in order to meet the standards of a quality trade exhibition.

The 3-in-1 trade exhibition remains committed to meet the business needs of all industry partners, exhibitors and trade visitors, and will stay steadfast in nurturing these trusted relationships for an even more successful participation in October. The team will continue to work closely with our stakeholders, and are taking immediate steps to provide the required support necessary.

The INDOPLAS, INDOPACK and INDOPRINT team will reach out to all industry partners, confirmed exhibitors and participants for event logistics and planning. Participants may also contact indoplas@mda.com.sg, indopack@mda.com.sg or indoprint@mda.com.sg for immediate assistance.
