

## INDOPLAS, INDOPACK and INDOPRINT moves to 31 August – 3 September 2022

Messe Düsseldorf Asia and joint organiser Wahana Kemalania Makmur, PT (WAKENI), have made the decision to move the upcoming edition of INDOPLAS, INDOPACK, and INDOPRINT to **31 August – 3 September 2022**. The Indonesian International Plastics, Packaging and Printing Exhibition was originally planned for 13 – 16 October 2021. As Indonesia's leading all-in-one exhibition focusing on innovative technologies and solutions from the co-related plastics, packaging and printing sectors, the venue for the 3-in-1 mega exhibition remains unchanged at Jakarta International Expo (JIExpo), Indonesia.

“With the recent escalation of COVID-19 caseloads in Indonesia and in the Southeast Asian region, in addition to the ongoing travel restrictions and various quarantine requirements, this has made it extremely challenging for many of our international exhibitors and visitors to responsibly plan their participation at INDOPLAS, INDOPACK and INDOPRINT scheduled to happen in just about two months' time,” explains **Mr Gernot Ringling, Managing Director, Messe Düsseldorf Asia**.

“The latest developments and mounting uncertainties have greatly impacted expectations and with such strong international participation, we felt the decision could not be delayed. In order to deliver the benefits of an international trade fair, we are therefore looking ahead to 2022 with more confidence,” he said.

**Mrs Rini Sumardi, Director, Wahana Kemalania Makmur, PT (WAKENI)**, said: “For better planning security, we will look ahead to next year. We would like to thank all the exhibitors who have supported us and remained optimistic alongside us so far. We are heartened by the continued encouragement and we are committed to turn this into motivation to drive greater success for **INDOPLAS, INDOPACK and INDOPRINT 2022** – with many new features for exhibitors and trade visitors wanting to experience and discuss innovations in the co-related industries.”

The INDOPLAS, INDOPACK and INDOPRINT team will be in touch with all confirmed exhibitors and participants regarding rebooking arrangements for 2022, event logistics and planning.
