

## INDOPLAS, INDOPACK and INDOPRINT moves to 13 – 16 October 2021

**25 May 2021** – The next edition of The Indonesian International Plastics, Packaging and Printing Exhibition will now be held from **13 – 16 October 2021**. As Indonesia's leading all-in-one exhibition focusing on innovative technologies and solutions from the co-related plastics, packaging and printing sectors, the venue for INDOPLAS, INDOPACK and INDOPRINT remains unchanged at Jakarta International Expo (JIExpo), Indonesia.

**Mr Gernot Ringling, Managing Director, Messe Düsseldorf Asia**, said: "The international trade exhibition is recognised for its depth of products and services on the show floor, vibrant line-up of conferences and seminars, and unique platform for networking. With the ongoing uncertainty surrounding Indonesia's domestic border openings and restrictions on international travel and large-scale events, we feel a reschedule was necessary in order to meet the standards of a quality trade exhibition."

"We hope that moving the exhibitions to October 2021 will give greater market confidence and optimism and provide more time for participants to make preparations. The October dates will also ensure better returns on investment and marketing value for exhibitors and visitors," he added.

**Mrs Rini Sumardi, Director, Wahana Kemalaniaja Makmur, PT (WAKENI)**, said: "In these evolving and dynamic times, adaptability and flexibility are key and we strongly feel that the Indonesian market will be better positioned to do business and manage large-scale events safely and successfully in October."

"We remain committed to meet the business needs of our industry partners, exhibitors and trade visitors, and will stay steadfast in nurturing these trusted relationships for an even more successful participation in October. We will continue to work closely with our stakeholders and are taking immediate steps to provide the required support necessary," she added.

The INDOPLAS, INDOPACK and INDOPRINT team will reach out to all industry partners, confirmed exhibitors and participants for event logistics and planning.
